Step Up To Excursion.

Everywhere from urban fast lane to rugged backcountry, Ford SUVs empower you with confident capability. Escape, Explorer, Explorer Sport Trac, Expedition and Excursion — each proudly proclaims its Ford heritage, yet each clearly makes its own statement. The ultimate SUV for active lifestyles, the 2005 Ford Excursion can carry, tow and handle it all — and bring all your family and friends along. With a refreshed front grille, bumper and headlamps enhancing its already commanding presence, Excursion looks as good as it performs.

Excursion Eddie Bauer 4x4 _ Toreador Red Metallic
available 4x4 Trailer Tow Group

Add Some Serious Pull

6.0L Power Stroke® V8 Turbo Diesel Engine – With 325 hp and a massive 560 lb.-ft. of torque, the low-end grunt of Excursion's available class-exclusive diesel is unmatched. Its Electronic Variable Response Turbocharger (EVRT™) provides increased airflow during steep grade climbing and high-altitude towing, while responding quickly to low-speed launch demands.

Absolute Power.

Combine a hardy work ethic with some serious torque and you get the 2005 Ford Excursion. Its available 6.0L Power Stroke V8 Turbo Diesel engine provides more torque than any other vehicle in its class. 560 lb.-ft. to be exact. More than enough to get your horse trailer over the mountain or your pleasure craft safely out of the water. All 3 Excursion engines, in fact, have plenty of this low-end torque to get the job done. Leadership, after all, has its advantages.

Excursion Limited 4x4 _ Pueblo Gold Metallic
available 4x4 Trailer Tow Group

Name Recognition

5.4L Triton™ V8 Engine – Excursion's standard engine bears a label that has earned its trust: Triton. With 255 hp @ 4500 rpm and 350 lb.-ft. of torque @ 2500 rpm, this V8 can power any adventure. It's teamed with a 4-speed automatic overdrive transmission.

The Power Of 10

6.8L Triton V10 Engine – Increase the combustion chambers by 2, and Excursion's available Triton V10 engine pumps out 310 hp @ 4250 rpm and 425 lb.-ft. of torque @ 3250 rpm.

Heavy-Duty Haulin' Heaven

TorqShift™ 5-Speed Automatic Transmission – Paired with the Power Stroke V8 Turbo Diesel, TorqShift features a selectable Tow/Haul mode that allows it to find its gear without hesitation when towing up steep grades, and to automatically downshift when towing heavy loads downhill.

Know Work, Know Play.

Just know that Ford Excursion can do it all. For heavy-duty applications that require heavy-duty towing capability, you can't do better than Excursion. Tow up to 11,000 lbs. when properly equipped, and head for the mountains with the confidence that your vehicle is up to the high-altitude challenge. For family vacations or trips to the trout stream, Excursion seats up to 9 and handles everyone's gear with ease. Versatile and capable, Excursion's enthusiasm knows no bounds.

Haul Up To 5½ Tons

11,000-lb. Towing Capacity – Excursion's standard Heavy-Duty Trailer Tow Package with Class IV hitch receiver makes you tow-ready for up to 11,000 lbs.* of horse trailer, powerboat or weekend-warrior equipment (see what we mean on the next page). So dream BIG.

*When properly equipped.

Dial It In

4x4 Capability – Excursion's available 4x4 system supplies electronic shift-on-the-fly convenience when the going gets tough. Turn the switch from 2WD to 4x4 HIGH to split driving power evenly between front and rear axles, giving you more traction. A 4x4 LOW setting maximizes low-speed traction for extreme grip.

In Sight, In Mind

Power Trailer Tow Mirrors – To help keep an eye on your load and other traffic, these available mirrors do it all. Turn signals and clearance lights are integrated. A heated setting helps maintain clean sight lines in inclement weather. Manual fold-away and telescoping features offer excellent flexibility.

Swing Open, Out And In

Tri-Panel Door™ System – Welcome to easy loading and unloading. Excursion's standard rear liftgate and split swing-out tailgate create one huge opening to access a class-leading 48.0 cu. ft. of cargo space behind the 3rd-row bench seat. Or, for SUV-leading cargo volume, fold down the 2nd- and 3rd-row seats to open up an incredible 146.4 cu. ft. of cargo volume.

Cargo and load capacity limited by weight and weight distribution.

Excursion XLT 4x4 _ Silver Birch Metallic

Excursion Limited 4x4 _ Mineral Grey Metallic _ available 4x4 Trailer Tow Group

Big Sky Country.

Wide-open spaces abound throughout Ford Excursion. With the most interior room of any vehicle in its class, you'll be quite comfortable wherever you sit. Up front, available dual captain's chairs provide you with a commanding view of the terrain ahead. 2nd-row leather-trimmed captain's chairs are available on Eddie Bauer and Limited, while other models feature a standard 60/40 split-bench seat with dual recliners. In back, the versatile 3rd-row bench seat carries 3 and can be folded down or removed as needed.

The Greatest Show On-Road (Or Off)

Rear-Seat DVD Entertainment System – Showtime in Excursion features a built-in DVD player with a flip-down 7" LCD color screen, remote control and wireless headphones. Your favorite movie can help time fly if the scenery outside starts looking the same. This first-in-class system is available on Excursion XLT, Eddie Bauer and Limited.

Excursion Limited _ Medium Pebble Leather-Trimmed Interior

Adventures Begin Here

Helpful Instrumentation – Redundant controls on Excursion Limited's leather-wrapped steering wheel (standard on Eddie Bauer with Eddie Bauer Premier Package) allow you to adjust audio, fan and temperature settings. A 6-disc CD changer (standard on Limited, available on all other models) lets you load music right into the in-dash system.

Rugged Refinement

Eddie Bauer Two-Tone Interior – Extremely comfortable and easy to clean, leather-trimmed seats in Eddie Bauer sport a distinct two-tone appearance (Charcoal Black/Medium Pebble).

Custom Fit For Short Or Tall

Power-Adjustable Pedals – Standard on Eddie Bauer and Limited (with memory settings for 2 positions on Limited) and available on XLT and XLS models, you can find your optimum driving position by adjusting both the brake and accelerator pedals forward or back.

You're Getting Warmer

Heated Front Seats – Standard on Limited and available on Eddie Bauer, nothing beats the radiating warmth of heated seats on a chilly, early-morning road trip.

Specifications

MODEL HIGHLIGHTS

Each series includes the standard equipment of the previous series, except where additions/exceptions are noted.

XLS

16" polished-aluminum wheels • Front and rear chrome bumpers • Body-color narrow bodyside moldings • Chromed grille surround with Medium Platinum-painted inserts • Power, heated sideview mirrors • Black running boards • Black door handles • 1st-row 40/20/40 split seat • Manual front and rear air conditioning • Premium AM/FM stereo with single-CD/cassette player

GENUINE FORD ACCESSORIES

See your dealer for these and other great dealer-installed accessories or visit us at fordaccessoriesstore.com.

Power From Afar

Remote Start – Get your vehicle warmed up (or cooled down) with this convenient system. You can use it to turn on the ignition, lock and unlock the doors, or activate the panic alarm – from up to 500 ft. away.

Stow On The Go

Rear Door Storage Bins – Keep cargo conveniently in place and neatly out of the way with these storage helpers.

Leave It Here

All-Weather Floor Mats – Made of heavy-duty rubber with deep channels, these mats collect dirt and mud and can be easily washed off.

Up On The Roof

Yakima® MegaWarrior – Pack even more gear, safari-style, with this rooftop accessory. Handles everything from luggage to a kayak.

Towing Made Easy

Swivel-Mount Hitch – This special drawbar swivels left and right to make trailer hookups easy. It automatically locks into towing position once the connection is made.

Hands On The Wheel

Mobile-Ease Hands-Free Communication System – Place and receive hands-free calls through the audio system with this Bluetooth® technology and your Bluetooth-equipped cell phone.

Ford Credit — Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at **fordcredit.com**.

EXTENDED SERVICE PLAN — For a purchase or lease, the Ford **Extended Service Plan** (ESP) gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for an ESP backed by Ford Motor Company and honored at all Ford dealerships.

Ford Motor Company Insurance Services — Choose the insurance program that's designed for your vehicle – Ford Motor Company Insurance Services. Our program helps you receive the rates and service you deserve. Call 1-877-367-3847 or visit us at **fordvip.com** for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

AMERICAN QUARTER HORSE ASSOCIATION — As a corporate affiliate of the **American Quarter Horse Association**, Ford Motor Company is proud to be associated with this prestigious organization. We are honored to advance the interest in and the support of events that showcase the intelligence, strength and versatility of America's Horse™ and its rider.

PROUD PARTNERS OF AMERICA'S NATIONAL PARKS — Ford is working closely with the **National Park Foundation** to help develop innovative transportation and environmental solutions that enable visitors to enjoy America's National Parks without compromising their beauty.

tread lightly!® OFFICIAL SPONSOR — Ford is a proud Partner in Education and Founding Member of **Tread Lightly!** Through Education, Restoration and Research, Tread Lightly! empowers generations to enjoy the outdoors responsibly.
